

**2023-2024**  
**North Dakota Junior Point Show Association**  
**Sanctioning Livestock Show Rules**  
**& Guidelines**

**Shows desiring to be sanctioned for the North Dakota Junior Point Show must abide by the following rules and guidelines.**

1. Sanctioned shows must offer breed classes for heifer and age divisions, regardless of the number entered in a breed division. All other-breed (miscellaneous breed) classes do not qualify. For example: If one Hereford and one Limousin are entered, you must separate these animals into their own breed classes. No breeds are to be combined into one class. Commercial heifers are to be shown by birth date. It is up to each fair to determine age divisions. A top 5 heifer must be selected to accommodate the Supreme Heifer award.
2. Record ear tag numbers and tattoos for all entries. All livestock must be tagged.
3. Check registration papers at the time of check-in to verify that animals are correctly entered. All animals showing as purebred must have registration papers or they must show in the commercial division.
4. To show an animal in a particular breed show, the entry must conform to any specific rules established by that particular breed association.
5. The NDJPSA Sanctioned shows will conform to all rules set forth by the North Dakota State Fair.
6. No minimum weight limits shall be set for market animals.
7. Judge selections must be posted to the Sanction Show google document by June 1st to avoid repetitive judging.
8. Official show results are required to be sent to Jaci Cargo (jaci.cargo@gmail.com) within 10 days concluding the show.

**Points will be collected on the following classes.**

**Swine– Breeding Gilts**

Purebred and Crossbred Breeding Gilts (Crossbreds must be split by weight)
